

Cake serving size chart

Round cakes, by diameter — checked against my own production notes

Diameter	Party (1.5x2 in)	Wedding (1x2 in)
6 inch	8–10	12–14
8 inch	14–16	24–25
9 inch	18–20	30–32
10 inch	25–28	38–40
12 inch	36–40	56
14 inch	50–55	76–78
16 inch	65–70	100
18 inch	80–85	125–130

Party serving: 1.5 by 2 inch piece. Wedding serving: 1 by 2 inch piece. Stack tiers to combine sizes for a tiered cake.

From 20+ years cutting these cakes myself — cross-checked against my own records, not copied from a generic chart.
